

**Siouxland**  
PROPANE CO.

# We Sell Top of the Line Products— and Back Them with Top of the Line Service!

## Propane

For almost 60 years, people all across the tri-state area have relied on Siouxland Propane for their home, business and agricultural propane needs. Our state of the art computerized meters make sure that you as a customer get exactly what you are paying for. We are blessed with experience and conscientious delivery people who believe the customers needs are their #1 priority. We feel these are just a few key points that set us apart from a large portion of the industry.

## Heating & Cooling

Very few factors determine our comfort as much as temperature and in the Midwest this can be the most important investment we can make. Siouxland Propane teamed up with Lennox from the start because of the long term commitment to quality and performance. Siouxland's staff of professionals constantly keep abreast of a continually changing market through continued education and state of the art tools and equipment. Call today for a free estimate and see just how affordable quality can be!

## Lawn Care Products

From commercial mowers to walk behinds Siouxland Propane has the machine to fit your needs. Here again Siouxland Propane has only selected the leaders in the industry for their line up. We are speaking of John Deere and Country Clipper mowers and Echo handheld power equipment. The term "value" is depicted by more factors than price alone – quality, performance and resale – to name just a few. If you want quality at a fair price backed

by one of the largest repair and parts departments in the area, stop by and check out what Siouxland Propane has to offer.

## Gas Grills

In an effort to sell our customers a grill that is built to last, delivers the best flavor, and will help turn even an amateur griller into a gourmet chef, we have selected Buck Grill and Camp Chef gas grills. Ask our salespeople to explain why these grills cost a little more – but are worth every penny.

## Service

A company is no better than the people that represent it. Here at Siouxland Propane we are very proud of the staff of professionals we have working for us. All are hard working individuals who are willing to take the continuing education it takes to be #1 in their field.

Along with people – equipment is a very important aspect as far as being able to deliver service. As a company's business area grows, so must it's means to service it's customers. Here at Siouxland Propane you will find state of the art tools and equipment not only to do the job better but more efficiently which will reflect in savings for our customers.

Also to supply good service a company must make it accessible to their customers. This is why we have people on call 24 hours a day 7 days a week for our customers emergencies. So remember Siouxland Propane is only a phone call away!

# About Our Company...

With Siouxland Propane you get more than just a propane supplier – you get a propane expert and partner. Since 1953 our mission continues to provide you with the most reliable, safest propane service in the area.

In keeping with our standard of excellent customer service, we at Siouxland Propane are pleased to offer a variety of top quality lawn care products, furnaces and air conditioners. Snapper, John Deere and Lennox are just a few of the fine brand names available.

We take pride in the ability to furnish our customers with top of the line products, installed, maintained and serviced by our own trained technicians.

We are proud of our expanding business, and the surrounding communities we serve. Our reputation for quality is your assurance of buying truly fine products.

Visit our web site for the products and the services we offer, as well as our used lawn equipment lists.
